Agreed Report of the Board of Management Meeting

St. Oliver Plunkett National School

Date of Meeting: 9th December, 2025

The meeting opened with a prayer and apologies were noted.

The minutes of the previous meeting were adopted, and there were no matters arising.

The Board considered correspondence received, including national updates and information relevant to governance, special education, and school improvement planning.

The Board received an update on ethos and faith formation within the school, noting recent assemblies, sacramental preparation, and charitable initiatives involving the school community.

The Treasurer's Report was presented, and the Board noted that accounts have been completed and submitted. The Board discussed ongoing approaches to financial reporting and record-keeping.

The Principal's Report was presented

The Board ratified the Critical Incident Policy.

The Board agreed to support a staff appreciation initiative in recognition of the work of staff during the school year.

The date of the next Board of Management meeting was confirmed for February 3rd, 2026.
